Charlene Li

INTRODUCTION SCRIPT

Charlene Li [Lee] joins us today, a widely respected expert on emerging technologies and disruptive business strategies.

She's the New York Times bestselling author of seven books, who, over the past three decades, has helped major companies and leaders anticipate change and take action.

Charlene founded the acclaimed research firm Altimeter Group, which was acquired in 2015.

She graduated from Harvard College and Harvard Business School and was named one of the most creative people in business by Fast Company.

Currently based in San Francisco, she frequently speaks worldwide on trends such as AI and the future of work.

When she’s not writing her next book or advising CEOs, she teaches new tricks to her beloved cat. Please welcome Charlene Li!
